Dear Ms Greaves

Rutland Memorial Hospital, Oakham

Thank you for your letter of 17 October 2016 regarding the development of a Neighbourhood Plan for Oakham and Barleythorpe, and your questions regarding plans for the hospital.

- Specific Plans within 2016/17 That Could Affect Land Usage in the Future – Proposals are currently being developed to co-locate and accommodate the area's health and social care services on the hospital site, but this will be contained within the curtilage of the existing buildings. The proposals will be subject to public consultation in 2017.
- Proposals for Additional Facilities with the Area – We understand that Oakham Medical Centre is considering an extension to their building and as part of such a development, the Trust may apply to change the entrance/exit points and the internal road layout of the hospital.

Yours sincerely

Dr Pete Miller
Chief Executive
